## Allied Health Services

**Exercise Physiology** - Our dedicated team work with you to define and achieve your health and function goals, utilising exercise as medicine. Whether you're recovering from a fall, managing a chronic health condition, or wishing to remain independent in your home and community, our tailored exercise programs are designed to support your overall health and independence.

**Fees: \$140/hr, pro rata**

**Exercise Group Class** - If you are over 50 and enjoy the company of other like-minded exercisers, give this class a go. It is a light paced, whole-body exercise class for those who want to improve their strength, mobility and flexibility using resistance bands, free weights and gym equipment in a fun, safe and social environment.

**Circuit Class** - This popular, weight-bearing exercise class is a 45 minute must. Join our Exercise Physiologist and other like-minded seniors who are interested in keeping up the intensity! This class incorporates aspects of resistance training, aerobic and power conditioning allowing you to work up a sweat in a fun and encouraging environment.

**Balance and Falls Prevention** - This is a fun and interactive balance class that not only physically challenges you, but also provides you with the education and resources to best manage your falls prevention journey.

**Walking Group** - This walking group is run in conjunction with the Heart Foundation and is facilitated by one of our Exercise Physiologists. It is a fantastic chance to stay active and meet new friends along the way. Meet outside Caras' & Co Gold Coast for a 30 minute or less walk at a slow to moderate pace. Prams and walkers welcome, no pets (per centre rules).
