

Dear Residents & Families,

As advised earlier today, the Queensland Premier announced this morning that the **Residential Care Lockdown will continue for a further two weeks until 15 April**, whilst the community restrictions are eased from midday Thursday 1 April. We do understand that this may be distressing for you and your family and friends but please be assured that we are dedicated to ensuring all Residents' comfort, safety, and wellbeing during this time.

### **EASTER**

Our dedicated BallyCara team will continue to ensure Easter is observed and we are pleased to advise that a Covid-safe Easter Bunny visited both Hibernian and Sunnyside Villas this week and our catering team will provide Hot Cross Buns on Good Friday.

As always if you would like assistance in making a virtual connection with your family or friends, we are happy to help facilitate. If you require assistance, please do let us know. We have also provided the ability for family members to send a message and upload a photo for their loved one via our website. Message and images must be uploaded by Saturday 4pm in order for them to be shared with your loved one on Easter Sunday.

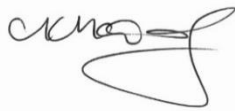

You send a Resident a message by clicking "Send a Message!" under the Residential Care heading on the website ([or click here to access the page](#)).

### **COVID-19 VACCINATION**

We have been advised by Healthcare Australia (the vaccine provider) that they will be onsite and administering the **Covid-19 Vaccination on Saturday 3 April**. We refer to the communication dated 31 March 2021 and confirm the Covid-19 Vaccination will only be administered to those Residents whom we have received a signed Consent Form. Please note we will closely monitor the health and wellbeing of all Residents receiving the vaccination and will contact the next of kin/primary contact only in the event of any adverse reactions.

Again, we do understand the impact of this continued lockdown and if you require any further support or you have any questions, please don't hesitate to make contact with a member of our Residential Services Team.

Many thanks,

Kerry Mahedy  
Residential Services Manager
